

Legacy Giving

Giving is a natural response of gratitude for God's love and provision. Each of us is blessed in order to be a blessing to others. We benefit again and again from the joyful gifts of the saints of First Pres who came before us and chose to continue their support beyond their lifetimes.

Planned or legacy gifts are pledges members make to the church in their wills, life insurance policies, and retirement or savings accounts. Members and friends may designate and share their blessings from God to strengthen the ministries of First Pres for many years to come.

If you have already made a planned gift, we are deeply grateful for your faithful commitment to Christ. Please let us know so that we may thank you properly. If you are interested in learning more about how to make a legacy gift or having a confidential conversation about opportunities to give to the church, please return the reply card.
